

net.shrine.adapter.ExceptionWhileAttemptingToRunQuery

Summary

The SHRINE adapter encountered some unanticipated problem while attempting to run a query in the CRC.

Since 1.26

Explanation

Many things could go wrong while the adapter is requesting that the CRC run a query. This adapter has encountered a problem we did not anticipate.

Resolution

If you are a user, supply all details to your site admin who can work with the adapter admin to resolve the issue.

If you are the adapter admin, examine the details, especially the message in the exception, to help determine what is wrong. Please share what you learn, plus the summary, description, and all details to shrinehelp@catalyst.harvard.edu so that we can investigate, help solve the problem, and provide better diagnostics in a future release.
