net.shrine.hub.QueryAttemptTimeToLiveExceeded

Summary

Shrine's hub has given up on a result for this query from an adapter.

Explanation

Shrine's hub has not heard anything new about this query after a very generous period of time (5 days by default).

Resolution

If you are a researcher, send the admin at the reporting adapter all the details about this problem. If you are the admin examine your logs and determined why your adapter never responded to this query.
