

Chapter 14 - Verifying SHRINE Operation

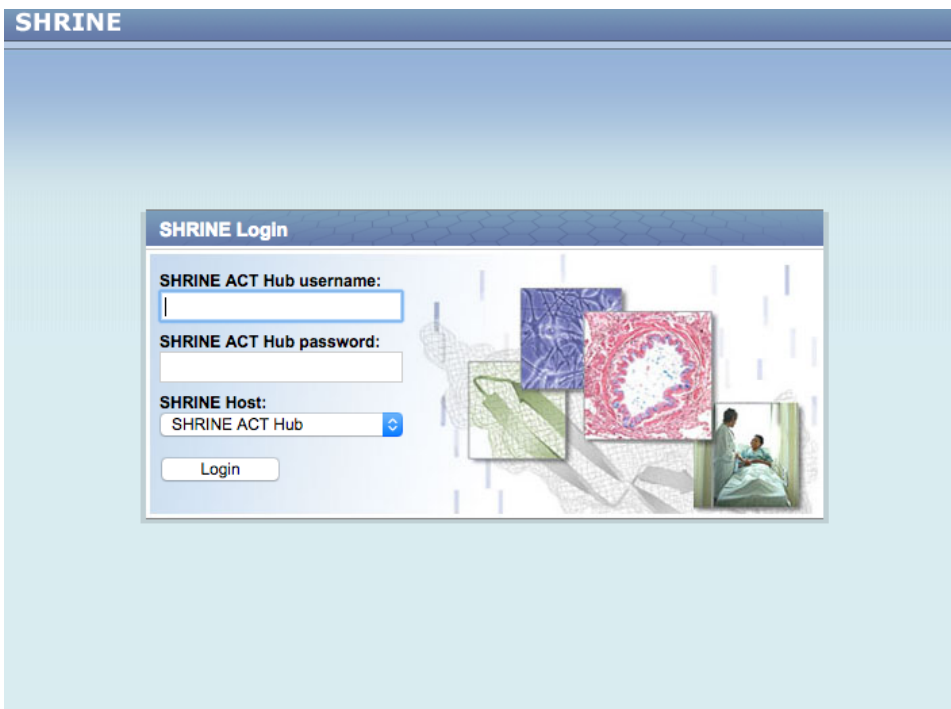

After installing and configuring SHRINE, you can verify the installation by navigating to each application's login page and signing in as the 'shrine' user:

- The SHRINE Data Steward - the url should be in the form of https://your_shrine_url:6443/shrine-api/shrine-steward/ . Start here to create a topic.

The image shows the login page for the SHRINE Data Steward application. The page has a blue header with the text "SHRINE DATA STEWARD". Below the header is a login form with two input fields: "Username*" and "Password*", both marked as "*Required Field". The "Username*" field is a text input, and the "Password*" field is a password input with a small icon to the right. Below the password field is a large blue arrow pointing to the right. At the bottom left of the page is the Harvard Catalyst logo, which consists of a red and white geometric design and the text "HARVARD CATALYST".

- The SHRINE Webclient - the url should be in the form of https://your_shrine_url:6443/shrine-api/shrine-webclient/ . This will be the application you use most often.

The image shows the login page for the SHRINE application. The page has a blue header with the text "SHRINE". Below the header is a login form titled "SHRINE Login". The form has three input fields: "SHRINE ACT Hub username:", "SHRINE ACT Hub password:", and "SHRINE Host:". The "SHRINE Host:" field has a dropdown menu with "SHRINE ACT Hub" selected. Below the input fields is a "Login" button. To the right of the input fields is a graphic showing three overlapping squares (blue, red, and green) and a small image of a person in a hospital bed.

- The SHRINE Dashboard - the url should be in the form of https://your_shrine_url:6443/shrine-api/shrine-dashboard/

SHRINE DASHBOARD

Version Info

This site is running SHRINE 2.0.0 built on 2019-09-10 13:14:25

This site is currently using SHRINE ontology version UNKNOWN
Based on concept term: \\SHRINE\SHRINE\ONTOLOGYVERSION

This site is currently using AdapterMappingV201.csv for mappings, last edited on 2019-07-24 20:09:59

System Health

Component	System Health
Keystore:	OK
QEP:	OK
Adapter:	OK

Logging into the Dashboard gives you an all-in-one systems view of the SHRINE installation. You can cycle through the different panes on the left hand side to view different statistics of your SHRINE installation.

!

You should check to see if you are able to execute a query and see results come back from your own site as well as others on the network. If you do not see your own site and/or other sites, please submit a JIRA ticket with the issue and notify your network administrator.
